

# Until We Sing Again... United In Praise

Romans 15.6

*"That together you may with united hearts and one voice, praise and glorify the God and Father of our Lord Jesus Christ."*

Let our season begin and it's going to be

**MARVELOUS!** Many of you have already pre-registered, and picked up your CD's ... Buckle up because it's going to be the best EVER (don't we say that every season?) and it seems that's just the way it is!

Our desire is to have this Newsletter out and available to all of you (not just our choir members, but you that have supported us with your prayers, being our fans, and your providing financial support.) Each one of us know that God has taken care of this choir through ALL of you, and we are BEYOND blessed. It seems when we have a need, (and by no coincidence) the need is met when we least expect it. So, on behalf of the choir, thank you for the multitude of blessings we've received from you.

Our Group began in 2003 with the mission to spread God's word through our music and praise. The founder of United in Praise is Karen S. Beard who, through God's nudging, brought the vision he planted in her heart to life! Karen stated of that first choir, "It just shows that people can unite, no matter what denomination they are." Choir members were drawn to that first choir because of it's diversity. Karen left this earth to be with the Lord February 24, 2007, losing her battle to Acute Myloid Leukemia, but the victory is what she left behind, United in Praise.

We're so glad that you are a part of our passion, our mission and UNITED alongside each of us!

Concert dates will be posted to our website, so please be sure to check it out.

**Until we sing Again!**

## We have an Awesome God! Amen? Amen!

I am beyond excited about the Spring season of United in Praise. This season's music declares how awesome our God is, what He has done for us through His Son, Jesus and how we must respond to Him and His gift of salvation. No one could leave a presentation of this music and say they have not heard His story of love, grace and redemption. Therefore, I am beyond excited.

I am also excited to get back together with my friends and sing praise to our King. Each week we come together is a chance to worship and prepare for the ministry God has given us. You all know how much fun we have and what a special time we have each week, so invite your friends to come and join us.

Now is the time...Begin to pray for the churches, the pastors and the folks that will come out to hear us. Pray that the Lord would reveal Himself in a way that only He can through the music and the Pastor's message.

Are you excited?!?!

**Love ya'll and praying for you!**

*Rodney*
